How do you feel this nominee would be able to contribute by being on the MANNA board?

Melody has a deep love and heart for the work of MANNA. With her past board experience as well as her previous role as Board President, she has a unique depth of knowledge about the organization and the issue of hunger. Melody also has shown that she is willing to dedicate the time required to be an engaged board member.

Melody currently serves as Past President on the Executive Committee. She attends nearly every MANNA event, frequently consults with members of the Senior Leadership Team for historical context, and is well known to the MANNA staff for the weekly flowers that she brings in from her garden.
